

School Engagement	Foundation Learning - Part 1	Foundation Learning - Part 2
<p>Primary Skills – Year 9 - 11 The course is run in half-day sessions providing an excellent opportunity for young people to re-engage with learning through a practical, hands-on experience in a full size, well equipped workshop. Students work on a variety of motor vehicles learning basic mechanics with an overarching ethos of teamwork in an adult environment. Health and Safety is a core skill learned on enrolment. The course can be adapted to meet the individual needs and capabilities of each student. They are taught in small groups with experienced instructors.</p> <p>Skills Students gain transferable skills that enhance their learning and employment prospects. In addition experience has shown massive improvements in attendance, punctuality, and most of all in self-esteem, confidence and communication skills.</p> <p>Awards Currently students receive certificates from SKIDZ recognising their achievements in Health & Safety, Basic Car Mechanics, and other individual skills. In the future it is hoped a few will be able to access the ABC Level 1 Award. A number of students who demonstrate their skill at an early stage can enrol on the exam course in the Foundation Learning Tier.</p> <p>Cost: £31.50 per session per student.</p> <p>Start Dates Students can be enrolled onto the Primary Skills Course at any stage in the term or academic year.</p>	<p>ABC Level 1 Award – Year 10 Designed to develop skills and understanding of maintenance aspects of the motor trade, including Health and Safety. The course is Award Level and can be completed in 1 year, leading onto the Certificate Level Course for the second year if appropriate to abilities. Units include a selection from Health and Safety, Basic Mechanics, tyres, brakes, engine fluids, body work, and road studies. The course is 60% practical/40% classroom based. It will take place in 2 hour sessions. Pass 20% = Points Score 25. It is the entry to the Foundation Learning Tier.</p> <p>Assessment: Modules are assessed internally. An exam centre moderation officer visits SKIDZ to assess the quality of provision and internal assessment. Qualification is made up of 1 Mandatory unit and 3 out of 18 optional units. Learners must achieve a minimum of 12 credits, including 4 credits from the mandatory unit.</p> <p>Progression: The first ABC Award Level of qualification can give a student access to the next stage of the ABC Level 1 Certificate Course.</p> <p>Resources: SKIDZ will provide the workshop experience and vehicles to work on, all safety accessories plus overalls and boots, Health & Safety booklets, etc.</p> <p>Costs: £30 per session per student in groups of eight.</p> <p>Start date is the beginning of the academic year.</p> <p>LSC Qualification Code - 50042427 ABC Qualification Code - A5520- 01</p>	<p>ABC Level 1 Certificate – Year 11 Designed to further develop skills and understanding of maintenance aspects of the motor trade, including Health and Safety. The course follows on from the Award Level and can be completed in the second year. Units include a selection from Health and Safety, Basic Mechanics, tyres, brakes, engine fluids, body work, and road studies. The course is 60% practical/40% classroom based. It will take place in 2 hour sessions. Pass 60% - Points Score 75. It sits within the Foundation Learning Tier.</p> <p>Assessment: Modules are assessed internally. An exam centre moderation officer visits SKIDZ to assess the quality of provision and internal assessment. Qualification is made up of 1 Mandatory Unit and 8 out of 18 optional units. Learners must achieve 24 credits, the maximum is 36 credits. This must include 4 credits from the Mandatory Unit.</p> <p>Progression: The ABC Certificate Level of qualification can give a student access to the next stage of the ABC Level 1 Diploma Course, further education, apprenticeship or employment.</p> <p>Resources: SKIDZ will provide the workshop experience and vehicles to work on, all safety accessories plus overalls and boots, Health & Safety booklets, etc.</p> <p>Costs: £ 30 per session per student in groups of eight.</p> <p>Start date is the beginning of the academic year following on from Year 10.</p> <p>LSC Qualification Code - 50042208 ABC Qualification Code – C5520 - 01</p>

Increased Flexibility Full Day	Increased Flexibility Year 10 - 11	Diploma Year 10 - 11 Full Day
<p>ABC Level 1 Certificate and Diploma The courses encourage students who have an interest in Motor Studies to acquire knowledge and skills to aid progression to further studies or employment. The overall aim is to provide experience and knowledge to enhance employment prospects. The course will be delivered during a full day session; students will complete the required number of modules over the 2 year course. Pass 150% = Point Score 150</p> <p>Assessment: Modules are assessed internally. An exam centre moderation officer visits SKIDZ to assess the quality of provision and internal assessment. Qualification is made up of 1 Mandatory Unit and 12 out of 18 optional units. Learners must achieve 38 credits, the maximum is 67 credits. This must include 4 credits from the Mandatory Unit.</p> <p>Progression: The ABC Level 1 Diploma Course can lead to a specialized course in further education, apprenticeship or to employment.</p> <p>Resources: SKIDZ will provide the workshop experience and vehicles to work on, all safety accessories plus overalls and boots, Health & Safety booklets, etc</p> <p>Costs: £60 per day per student in groups of eight.</p> <p>Start date is the beginning of academic Year 10.</p> <p>LSC Qualification Code - 50042208 ABC Qualification Code - C5520 - 01</p>	<p>ABC Level 1 Certificate - Half Day Designed to develop skills and understanding of maintenance aspects of the motor trade, including Health and Safety.
